AT THE LYCEUM.  
"CLOTHES."

The Lyceum Stock company of Toledo, which has made the greatest hit ever accorded to a similar organization at the Lyceum will put on "Clothes" next week, commencing with the Sunday night performance, May 9. "Clothes" is an American drama by two well known newspaper men and playwrights, Channing Pollock and Avery Haggood and was never seen before in Toledo. It was formerly played with great success by the famous actress Grace George who stayed on Broadway with it for five months. It was never before seen off the \$2 stage but the Lyceum puts it on for 25 and 50 cent prices.

It treats of a subject with which every American is familiar. It is founded on that famous line from Carlyle,

"Society which, the more I think of it astonishes me the more, is founded upon cloth." It is a drawing room drama, full of domestic problems and satire on the so-called smart society and the craze for dress and other luxuries at the expense of the finer sensibilities—the lust for show. Woven into it are two love stories, one homely and humorous, the other dainty and delightful. The action moves in sumptuous settings, representing a wealthy country house with in motoring distance of New York. The six ladies of the company will wear some gorgeous evening gowns, one dress of the leading lady's, Miss Servoss, being a cloth of gold, especially imported from Paris for this production.

"Clothes" is the most expensive royalty play ever brought to Toledo and is sure to pack the house to the doors. Matinees are given only on Tuesday, Thursday and Saturday and patrons from outside of town can have seats reserved for them by mail. This week "Old Heidelberg" is the bill and the week of May 16, James K. Hackett's greatest success, "The Prisoner of Zenda" is the bill.

Eldridge, as plaintiff, filed his petition on the 13th day of April, 1909, in the Court of Common Pleas of Wood County, Ohio, (being case No. 16027 therein) against them as defendants, wherein he alleges that he is seized in fee simple and is in the actual possession of the following described real

estate, to-wit: All that part of the West Half (1/2) of the South West Quarter (1/4) of Section Thirty (30), in Township Three (3) North, Range Ten (10) East, lying South of the Baltimore and Ohio Railroad, containing seventy-six and eighty-one one-hundredths (76.81) acres situated in Henry Township in Wood County, Ohio; also the North East Quarter (1/4) of the South East Quarter (1/4) of Section Twenty-Five (25), in Township Three (3) North, Range Nine (9) East, excepting therefrom the right-of-way of the Baltimore and Ohio Railroad, also excepting therefrom a strip sixty (60) feet wide adjoining the South line of the right-of-way of said railroad and extending along the entire South line of said right-of-way of said railroad as the same extends over and across the

Said defendants are required to answer or demur to said petition on or before the 29th day of May, 1909. WILLIAM E. ELDRIDGE, Plaintiff. W. H. McMILLEN, Attorney for Plaintiff.
